Cultural Connections Parent/Guardian Permission Form

Cultural Connections are a series of guided video conferencing programs designed to connect Indonesians and Australian students in the context of current CoVid 19 conditions.

Through a facilitator, individual participants will join an initial group video conference at which they will be introduced to the program, and connected to an Indonesian/Australian partner. Following initial introductions and familiarisation activities partners will be encouraged to consider planning a cooperative project that develops cross-cultural understanding and provides an opportunity to develop meaningful relationships.

Over a series of six weekly video conferences, IndoAustay facilitators will lead participants through exploration and development of their project with the end product being a short, informative presentation to other participants.

Please note the cost to participants is \$120 for the six week program.

Parent/Guardian Permission

I give permission for _____ (insert student name) to participate in the IndoAustay Cultural Connections Program. I understand that the nature of the program, including relevant child safety and privacy guidelines are described on the IndoAustay website at www.indoaustay.org

Signature: _____
